Delhi Indira Gandhi
International Airport

11.11.13

12.11.

Der erste Morgen - Ich habe gleich komplett verschlafen.
Gestern hat Armin mir noch Kekse, Bananen und Äpfel
gebracht, jetzt muß er mir auch noch Brot und Dinelett
aus der Mensa holen, bevor Sie zu machen. Den
Tee kochte ich mir selbst.
Pflanzen schneiden, Affen ^(oder Vögel) der Janitor fegt den Gang.

Ich wohne im
IUCAA Gästehaus
Sie haben sogar
eigens ange-
fertigte Seifen.

Später entferne ich
alle Naphtalinbälle aus
den Schuoldaden. Der
durchdringende Geruch
hat mich diese Nacht
Stundenlang wach-
gehalten.

IUCAA Children's Science Center

12 Jahre alt

12-11-13

1700

Gegen 18 wird es dunkel. Jetzt ist es sehr angenehm, man hört Vögel und Zikaden, alle möglichen Vögel. Ich unterhalte mich mit Manes, der heute mit seinem Vater Manesah hier ist. Er ist und wird zu Hause unterrichtet. Heute hat er Science Day.

13.11.13

Man sieht die Janitors den ganzen Tag. Morgens schon legen sie die Hufe, die Gänge und Terrassen. Auch mein Zimmer wird täglich geputzt. Sie haben sehr schön gebundene Beize, die ein befriedigendes Kränze machen - weiss - weiss - schon früh am Morgen.

Hier ist ein Wischenopi: alte Lappen in Streifen geschnitten und an einem Stock gebunden.

so einer steht auf meinem Gang
